Monique Bradley

Global Keynote Speaker

Storytelling & Communication Trainer

Helping leaders and teams communicate with clarity, build relational trust, and create meaningful connection.

THE CHALLENGE NOW

We have more ways to communicate than ever.
So why do we feel less connected?

Humans don't need more information. They need clarity, connection, and a reason to care.

Whether you're bringing people together at a conference or strengthening a team, communication only works when the message lands, resonates, and inspires action.

THE OPPORTUNITY

Let's cut through the noise, communicate what matters, and create genuine connection.

Introducing
Monique Bradley

Monique helps audiences communicate with clarity, build relational trust, and move people to action.

With over 30 years bridging media, business, and storytelling, Monique understands that the stories we tell shape our impact.

Her approach to Conscious Communication empowers leaders and teams to cut through the noise, own their expertise, and create genuine connection—in every interaction, one story at a time.

Why Event Organisers Choose Monique

- **Content that Activates**

  Audiences don't need another generic motivational speech. Monique delivers practical, actionable frameworks that attendees can use immediately.

- **Co-creating the Right Presentation**

  Event organisers face immense pressure. Monique brings a collaborative, well-prepared approach to every partnership: flawless preparation, on-time delivery, and deep audience engagement.

- **Transformative Energy**

  An intelligent, human, and highly energetic stage presence that lifts the room, provokes new thinking, and creates memorable conference moments.

Keynotes for Your Audience

Four distinct pathways to build relational trust and meaningful connection.

01 The Communication Gap

02 The Stories We Tell

03 Storytelling in Action

04 Overcoming Imposter Syndrome

01/ 2027 KEYNOTE LAUNCH

The Communication Gap

Humanity feels overloaded with data and information but starved of connection. This provocative keynote reveals how Conscious Communication builds relational trust, empowering your leaders and teams to communicate in a way that truly connects.

Best for:

L&D professionals, leadership teams, sales teams and conference organisers seeking genuine human connection.

02/ SIGNATURE KEYNOTE

The Stories We Tell

The stories your attendees carry shape how they show up and influence others. This keynote helps audiences understand identity and impact, leaving them ready to build deeper connections and leave a stronger legacy.

Best for:

Leadership conferences, business summits, professional associations and teams ready to create deeper connection.

03 / KEYNOTE AND WORKSHOP

Storytelling in Action

Part inspiring keynote, part practical workshop, part stand-up comedy show. This hilarious and interactive keynote is designed for professionals who need to present, lead, or sell. Your attendees won't just leave inspired—they'll leave with actionable techniques to make their message land immediately.

Best for:

Sales teams, leadership development days, presentation training, conferences and team offsites.

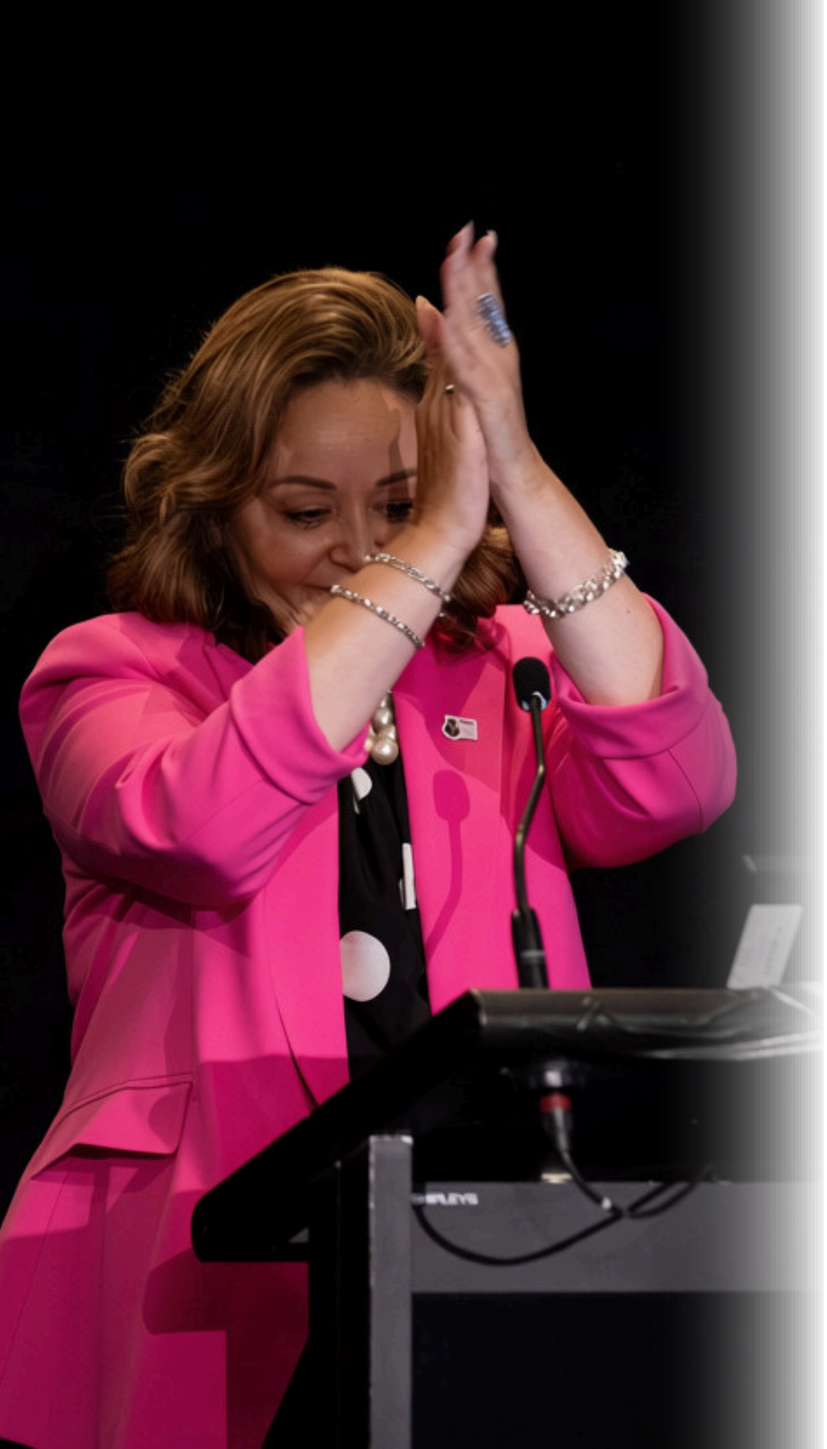

04 / CONFIDENCE KEYNOTE

Overcoming Imposter Syndrome

Even the most capable people question if they belong. This empowering session unpacks how self-doubt limits potential, explores how the stories we tell shape the way we see ourselves, and gives your audience the tools and confidence to own their expertise and show up with unwavering conviction.

Best for:

Women in business, emerging leaders, high-performing teams and professionals ready to stop holding themselves back.

The Organiser Experience

01 / Professional Collaboration

From thorough pre-event briefing to delivery, Monique ensures absolute alignment with your conference themes. No surprises—just a seamless, professional experience from start to finish.

02 / Audience Customisation

Keynotes are tailored to speak directly to your attendees' specific industry context and current challenges.

03 / Flexible Formats

Choose a high-impact opening or closing keynote, or extend the experience with an interactive workshop. MC services can also be included when needed.

04 / Practical Takeaways

Attendees leave with actionable frameworks they can apply immediately to improve communication and build trust.

Organisational Training

Beyond the stage: extend keynote ideas into embedded behavioural change.

For L&D and Leadership

Practical workshops to equip leaders with Conscious Communication skills that build relational trust across teams.

For Sales Teams

Training programs focused on impactful storytelling, helping sales professionals connect authentically and drive action.
